Supply List

- Kleenex,
- Large Bag of M&M's, Skittles or Other Small Treats
- Several Cases of Juice, Capri Sun, or Bottled Water
- Large Box of Goldfish or Crackers
- Large Box of Fruit Snacks

The supply list above includes snacks used as reinforcers for lessons. I'll need to replace these supplies throughout the school year and will send a letter when supplies dwindle. I'll provide all traditional school supplies for Room 1, so families don't feel as if they need to complete two traditional classroom supply lists. Thank you in advance for your help.
